

CABINET NOD

Health infra gets ₹23,123-cr boost to battle Covid

PRESS TRUST OF INDIA
New Delhi, July 8

THE UNION CABINET Thursday approved a ₹23,123-cr financial package for improving health infrastructure in the country to fight the Covid-19 pandemic.

Addressing a press conference here after the first meeting of the Union cabinet following its resumption on Wednesday, Health Minister Mansukh Mandaviya said the package will be implemented over the next nine months till March 2022.

The meeting was chaired by Prime Minister Narendra Modi. Mandaviya said this is the second phase of the Emergency Response and Health System Preparedness Package as the Central government had given ₹15,000 crore earlier for setting up Covid-dedicated hospitals and health centres across the country.

Mandaviya said that under the new package, the Centre would provide ₹15,000 crore and states ₹8,000 crore and the plan would be implemented jointly by them across all the 736 districts of

the country to improve medical infrastructure at primary

and district health centres. Around 2.4 lakh normal

medical beds and 20,000 ICU beds would be created of which 20% would be specially earmarked for children, he said.

The minister said storage facilities for oxygen and medicines would also be created at district level under the plan.

The plan aims to accelerate health system preparedness for immediate responsiveness for early prevention, detection and management of Covid with the focus on infrastructure development including for Paediatric Care and with measurable outcomes, he said.

Actively pursuing enhancement of vaccine availability via imports: Govt

PRESS TRUST OF INDIA
New Delhi, July 8

THE GOVERNMENT Thursday said it is actively pursuing the enhancement of Covid vaccine availability through imports and reiterated that its current focus is on pursuing domestic production towards its domestic vaccination programme, he said.

"We are also actively pursuing the enhancement of vaccine availability through imports. This has helped increase the pace of vaccination in recent weeks," Bagchi said.

Currently, three Covid-19 vaccines — Covaxin by Bharat Biotech, Covishield by Serum Institute of India (SII) and Russia's Sputnik V — are being

used for inoculation in India. The total number of vaccine doses administered so far has reached 36.48 crore under the nationwide vaccination drive.

Asked about the World Health Organization approval for Covaxin, Bagchi said the government is continuing to monitor the progress and added, "I would refer you to Bharat Biotech for the exact status of where it stands."

"We also hope that individual countries would increasingly recognize made-in-India vaccines," he said.

Apex court asks Facebook MD to appear before Delhi Assembly

FE BUREAU
New Delhi, July 8

THE SUPREME COURT on Thursday refused to stay the summons issued to Facebook India vice-president and managing director (MD) Ajit Mohan by the Delhi Assembly panel in the Delhi riots case, saying there is a need for social media platforms to show accountability to its users.

It also held that the Delhi Assembly can seek information from Facebook and its officials about its alleged role in the Delhi riots but cannot go into law-and-order issues by acting as a prosecutor. Terming as "premature" the apprehension of coercive action alleged by Facebook and Mohan given summons issued by Delhi Assembly's Peace and Harmony Committee, a bench led by Justice Sanjay Kishan Kaul asked the top brass to appear before the Delhi Assembly panel in the 2020 riots probe.

Noting that Facebook has about 2.85 billion monthly ac-

tive users as of March, which is over 1/3rd of the total population of this planet, including about 270 million registered users in India, the apex court said "such vast powers must necessarily come with responsibility. Entities like Facebook have to remain accountable to those who entrust them with such power. While Facebook has played a crucial role in enabling free speech by providing a voice to the voiceless, it also means to escape state censorship, we cannot lose sight of the fact that it has simultaneously become a platform for disruptive messages, voices, and ideologies."

The Delhi Assembly committee has the "right to seek information on any matter related to peace and harmony without encroaching (the domain of the central laws," the top court said. However, the social media platform cannot be compelled to answer issues related to law and order or any other subject falling under the Centre's domain.

Delhi Assembly is like any

other Assembly except certain areas outside its domain, and its privilege power included the power to summon non-members too, the top court said while pointing out that the criminal actions concerning February 2020 riots in Delhi's northeast were already pending before a trial court. The judgement came on a petition by Mohan challenging the validity of the summons by the Assembly panel claiming his right to silence.

The Peace and Harmony Committee headed by AAP MLA Raghu Chadha was formed on March 2, 2020, following the Delhi Riots, as "serious questions have been raised on the role of the Facebook platform as a mechanism to disseminate hate and divisiveness."

The top court, however, expressed its displeasure at statements made by Chadha that Facebook should be named as accused and prosecuted in riots, without hearing the officials of the social media platform.

'HAM' largely on track; execution of weak sponsors a concern'

PRESS TRUST OF INDIA
New Delhi, July 8

EXECUTION OF HYBRID annuity model (HAM) projects, which is the preferred mode of awarding by NHAI, is largely on schedule and about 60% of the projects covering 3,200 kms of roads are either completed or being executed on time, ratings agency Crisil said on Thursday. However, it added that rest of the projects are delayed largely due to weak sponsors.

According to Crisil, many National Highways Authority of India (NHA) HAM projects are set to become operational in the near term. Their credit profiles will improve significantly because of reduced implementation risk and healthy cash-flow visibility, backed by strong counterparties, it said.

Crisil said it has analysed all the HAM road projects awarded between fiscal 2016 and 2018, spanning 5,400 kms, as the bulk of execution should have ideally taken place in these projects.

Renewable energy capacity addition to improve to 1.1 GW in FY22: Icrs

PRESS TRUST OF INDIA
New Delhi, July 8

RENEWABLE ENERGY CAPACITY addition in India is likely to improve to 1.1 GW in FY2022 amid the execution headwinds due to Covid-19, Icrs said on Thursday.

"While there is a slowdown in renewable energy (RE) capacity addition to 7.4 GW in FY2021 from 8.7 GW in FY2020 amid the execution headwinds due to Covid-19, Icrs expects the capacity addition to improve to 10.5 to 11.1 GW in FY2022 led by a strong project pipeline of 38 GW," Icrs said in a statement.

Also, more than 20 GW RE projects are under the tendering phase from various nodal agencies, providing visibility for capacity addition over the medium-term, it added.

"The RE sector is expected to witness investments of ₹3.5 trillion (₹3.5 lakh crore) over the next four years, increasing the share of RE capacity to 34% of the overall installed capacity by March 2025 from 25 per cent as

of March 2021 led by the solar power segment," said Girish Kumar Kadam, senior vice president & co-group head — Corporate Ratings, Icrs.

However, Kadam said the delays in signing of PPAs/PSAs (power purchase or sale agreements) as observed in the past and cancellation of bids owing to expectations of reduction in tariff rates, remains a key challenge. Nonetheless, given the expected rise in solar bid tariffs in the upcoming auctions and the rise in module prices and imposition of basic customs duty on imported solar PV cells & modules from April 2022, progress is expected in signing of PPAs/PSAs for the earlier awarded tenders by the central intermediate procurers, he stated.

Despite the rise in tariff, the solar power tariffs are expected to remain below ₹3 per unit and cost competitive, against the marginal cost of generation from thermal sources in the bottom 75% of the merit order dispatch, Icrs said.

On the other hand, the execution challenges persist for the under-construction projects with respect to land acquisition and evacuation infrastructure, especially in the wind power segment, it added.

In this context, the government has approved extension in commissioning timeline by 2.5 months, considering the second wave of COVID-19. Also, the government has extended the waiver on inter-state transmission charges for wind and solar power projects commissioned till June 2025 from June 2023 earlier, it added.

Further, the demand outlook for domestic solar original equipment makers remains favourable, with the strong policy support through imposition of BCD on imported cells and modules and the notification of the production-linked incentive scheme.

NCP leader Khadse appears before ED allowed to quiz Waze in Deshmukh case

PRESS TRUST OF INDIA
Mumbai, July 8

FORMER MAHARASHTRA REVENUE minister and NCP leader Eknath Khadse on Thursday appeared before the Enforcement Directorate here in a money-laundering case investigation, a day after his son-in-law was arrested by the federal agency.

Khadse, 68, told reporters outside the Enforcement Directorate (ED) zonal office in Ballard Estate area of south Mumbai that the probe in the case is "politically motivated".

"I will cooperate with the agency... today also I have come for the same. This is a politically motivated case and entire Maharashtra and the country is seeing this."

"Enquiry has been done five times in this case. How many times will they do it?" he said.

The agency had summoned Khadse to depose and record his statement after it arrested his son-in-law Girish Chaudhari on Wednesday in this case that is linked to a 2016 instance of an alleged government land grab case in Pune.

The Nationalist Congress Party (NCP) leader who left the BJP to join the Sharad Pawar-led party last year has been once questioned by the ED in this case in January this year.

The ED case stems from a Pune police anti-corruption bureau (ACB) FIR filed against Khadse, his wife Mandanki and Chaudhari in April 2017.

ED allowed to quiz Waze in Deshmukh case

A SPECIAL COURT on Thursday allowed the Enforcement Directorate to question dismissed Mumbai police officer Sachin Waze in an alleged money-laundering case registered against former Maharashtra minister Anil Deshmukh.

Waze was arrested by the NIA in March in the case of explosives-laden SUV found near Mukesh Ambani's residence, and the subsequent murder of businessman Mansukh Hiran. —PTI

PUBLIC NOTICE
(Regulation 31(2) read with Regulation 12 of the Insolvency and Bankruptcy (Liquidation Process) Regulation, 2016)

NOTICE TO THE EQUITY SHAREHOLDERS OF THE COMPANY

[For transfer of equity shares of the Company to the Investor Education and Protection Fund (IETF) Authority]

NOTICE is hereby given pursuant to the provision of Section 124B(1) of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, ("IETF Rules"), all the shares in respect of which dividend declared has remained unclaimed/ unpaid for a period of seven consecutive years or more from the date of transfer to the Unpaid Dividend Account are required to be transferred by the Company in default account of the Investor Education and Protection Fund (IETF) Authority.

Pursuant to the said IETF Rules, the necessary intimation has been sent to the concerned shareholders individually also, who have not claimed/ received dividend for the financial year 2013-14 and all subsequent years declared by the Company and whose shares are liable to be transferred to the IETF Authority. The Company has updated the complete details of such shareholders and shares that are due for transfer to default account of the IETF Authority on its website www.jlmorison.com. Shareholders are requested to visit web-link https://www.jlmorison.com/investor-education-and-protection-fund to verify the details of unclaimed/ unpaid dividend and the shares that are liable to be transferred to the IETF Authority.

The concerned shareholders, holding shares in physical form and whose shares are liable to be transferred to the IETF Authority, may note that the Company would be issuing new share certificate(s) in lieu of the original share certificate(s) held by them for the purpose of transfer of shares to the IETF Authority as per the Rules and upon such issue, the Company shall inform the depository by way of corporate action to convert the share certificate(s) into DEMAT form and transfer in the default account of the IETF Authority. The original share certificate(s) which are registered in the name of registered shareholders shall stand cancelled automatically and be deemed non-negotiable. The concerned shareholders holding shares in the dematerialized form may note that the Company shall inform the depositories by way of corporate action for transfer of shares in favour of the default account of the IETF Authority.

Shareholders may note that both the unclaimed dividend and the shares transferred to the IETF Authority including all the benefits accruing on such shares, if any, can be claimed back by them from IETF Authority by making an application in the prescribed form (IETF-F-5) online and sending the physical copy of the requisite documents enumerated in the IETF Form (IETF-F-5) to the Nodal Office of the Company at its Registered Office or to CS Management Services (P) Limited, Registrar and Share Transfer Agent of the Company for verification of their claim after following the procedure as prescribed under the IETF Rules.

In case the Company does not receive any valid claim from the concerned shareholders by 16th October 2021, the Company shall with a view to comply with the requirements of the said IETF Rules, transfer the unclaimed dividend amount for the FY 2013 - 2014 and shares to the IETF Authority as per the procedure stipulated in the IETF Rules. Please note that no claim shall lie against the Company in respect of unclaimed dividend amount or equity shares so transferred into the default account of the IETF Authority.

In case you need any further information/ clarification please visit or to contact our Registrar and Share Transfer Agent, CS Management Services, Private Limited, Unit - L, J.L. Morison (India) Limited, P-22, Borde Road, Kolkata-700 019, Tel: (033) 40116700, e-mail: info@jlmorison.com.

NOTICE TO SHAREHOLDERS
and Protection Fund (IETF) Authority

Notice is hereby given pursuant to the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") (including any statutory modifications or re-enactments) thereof for the time being in force as notified by the Ministry of Corporate Affairs.

In accordance with the various requirements as set out in the Rules, the Company has communicated individually to the concerned shareholders whose equity shares, in respect of which dividend has remained unclaimed for seven consecutive years since 2013-14, shall be transferred by the Company in the name of Investor Education and Protection Fund (IETF) on or after 1st October, 2021.

The Company has also updated the details of such shareholders and equity shares due for transfer to the IETF Authority on its website at <http://www.texinfra.in/IEPF2021.pdf>. The Shareholders are requested to verify the details of the unclaimed dividends and the equity shares liable to be transferred to the IETF Authority and the affected Shareholders may lodge the request for payment of unclaimed dividend to Registrar & Share Transfer Agent (RTA) / the Company by 30th September, 2021.

Shareholders may please note that both the unclaimed dividend and the equity shares transferred to the IETF Authority including all corporate benefits accruing on such equity shares, if any, can be claimed back by them from the IETF Authority after following the procedure as set out in the Rules.

The concerned shareholders, holding equity shares in physical form and whose equity shares are liable to be transferred to the IETF Authority, may note that the Company would be issuing duplicate share certificate(s) in lieu of the original share certificate(s) held by them for the purpose of transfer of shares to the IETF Authority as per the Rules and upon such issue, the original share certificate(s) which is registered in their name shall stand automatically cancelled and be deemed non-negotiable. The Shareholders may further note that the details disclosed by the Company on its website should be regarded and shall be deemed to be adequate notice in respect of issue of the duplicate share certificate(s) by the Company for the purpose of transfer of equity shares in the name of IETF pursuant to the Rules. No claim shall lie against the Company in respect of equity shares and related dividend amount transferred to the IETF Authority.
